School Bí Cineálta Policy to Prevent and Address Bullying Behaviour

Bí Cineálta Policy to Prevent and Address Bullying Behaviour

The Board of Management of **Raheen National School** has adopted the following policy to prevent and address bullying behaviour.

This policy fully complies with the requirements of *Bí Cineálta: Procedures to Prevent and Address Bullying Behaviour for Primary and Post-Primary Schools 2024*.

The board of management acknowledges that bullying behaviour interferes with the rights of the child as set out in the United Nations Convention on the Rights of the Child. We all, as a school community, have a responsibility to work together to prevent and address bullying behaviour and to deal with the negative impact of bullying behaviour.

We are committed to ensuring that all students who attend our school are kept safe from harm and that the wellbeing of our students is at the forefront of everything that we do. We recognise the negative impact that bullying behaviour can have on the lives of our students, and we are fully committed to preventing and addressing bullying behaviour.

We confirm that we will, in accordance with our obligations under equality legislation, take all such steps that are reasonably practicable to prevent the harassment of students or staff on any of the nine grounds specified: gender, civil status, family status, sexual orientation, religion, age, disability, race and membership of the Traveller community.

Definition of bullying

Bullying is defined in *Cineáltas: Action Plan on Bullying* and *Bí Cineálta: Procedures to Prevent and Address Bullying Behaviour for Primary and Post-Primary Schools* as targeted behaviour, online or offline that causes harm. The harm caused can be physical, social and/or emotional in nature. Bullying behaviour is repeated over time and involves an imbalance of power in relationships between two people or groups of people in society. The detailed definition is provided in Chapter 2 of the Bí Cineálta procedures.

Each school is required to develop and implement a Bí Cineálta policy that sets out how the school community prevents and addresses bullying behaviour. Strategies to deal with inappropriate behaviour that is not bullying behaviour are provided for within the school's Code of Behaviour.

Section A: Development/review of our Bí Cineálta policy to prevent and address bullying behaviour

Section B: Preventing Bullying Behaviour

This section sets out the prevention strategies that will be used by the school. These include strategies specifically aimed at preventing online bullying behaviour, homophobic and transphobic bullying behaviour, racist bullying behaviour, sexist bullying behaviour and sexual harassment as appropriate (see Chapter 5 of the Bí Cineálta procedures):

Culture and Environment:

We strive to:

- Create a school culture where bullying behaviour is unacceptable and there is a consistent approach to addressing bullying behaviour.
- Involve parents as active partners in fostering an environment where bullying behaviour is not tolerated.
- Support the idea that our school is a **telling environment**.
- Promote the concept of a trusted adult – stay safe linkage – who to tell.
- Create safe spaces in our school building and yards through supervision..
- Incorporate artwork and signs to promote our school values – equality, inclusion and respect.
- Encourage a sense of belonging with ownership over their own space through art and creativity.
- Create a positive school culture and climate which
 - is welcoming of difference and diversity and is based on inclusivity,
 - encourages pupils to disclose and discuss incidents of bullying behaviour in a non-threatening environment; and
 - promotes respectful relationships across the school community.

Ways in which we work to achieve these goals are as follows:

- Staff are briefed on the uniform approach we must take to handle all reports of bullying – this is distributed to staff and a copy is displayed on the Staff Room notice board for ease of access also.
- Anti Bullying week activities such as Random acts of Kindness homework, Poster making, slogan making, etc
- Playground helpers – students in higher classes volunteer to support younger classes on yard to help with games and positive interactions. These will be supported from the Student Council.
- Child Friendly Anti-Bullying Policy was formed with pupil and parent input and is distributed to parents, children and staff to discuss. This policy outlines various ways to tell. It is on display around the school.
- Parents receive information at times regarding useful information on Anti-Bullying.
- Stay safe and SPHE lessons focusing on positive behaviour form part of curricular content in all classes. The Mindful Matters programme is also used throughout the school to support this.

- Effective supervision and monitoring of pupils.
- A notice board to promote kindness and build responsibility amongst pupils.

Curriculum (teaching and learning)

We strive to:

- Provide teaching and promote learning which is collaborative and respectful, fostering inclusion and respect for diversity.
- Display a shared understanding of what bullying is and its impact.

Ways in which we work to achieve this:

- Teach SPHE and RSE content which fosters student's well-being and self-confidence as well as promoting personal responsibility for their own behaviours and actions.
- Model respectful behaviour towards colleagues, pupils and visitors in our school environment.
- Curricular and extra-curricular activities can help to develop a sense of self-worth, working together, inclusion and respect.
- Students are given regular opportunities to work in small groups with peers, which can help build a sense of connection, belonging and empathy.
- Acknowledgment of our diverse school population – celebrating diversity and culture in our school through lessons and projects.
- Implementation of education and prevention strategies (including awareness raising measures) that-
 - build empathy, respect and resilience in pupils; and
 - explicitly address the issues of cyber-bullying and identity-based bullying including homophobic and transphobic bullying.
 - Programmes used: stay safe, webwise, mindful matters, give racism the red card etc.

Supports for staff:

- Consistent recording, investigation and follow up of bullying behaviour (including use of established intervention strategies); and
- On-going evaluation of the effectiveness of the anti-bullying policy.

Policy and planning:

The aim of Raheen National School's Bí Cineálta policy is

- To raise awareness of bullying as a form of unacceptable behaviour with school management, teachers, pupils, parents/guardians.
- To promote a school ethos which encourages children to disclose and discuss incidents of bullying behaviour.
- To ensure appropriate supervision and monitoring measures through which all areas of school activity are kept under observation.
- To develop procedures for noting, investigating and dealing with incidents of bullying behaviour.
- To implement a programme of support for those affected by bullying behaviour and for those involved in bullying behaviour.
- To work with appropriate agencies in countering all forms of bullying and promoting anti bullying behaviour.
 - The Acceptable Use Policy, Supervision policy, Special Education Policy and Code of Behaviour as well as the school's Wellbeing Policy all support the implementation of the Bí Cineálta policy.

- o Effective leadership is a key component with Principal, Deputy Principal, DLP, DDLP, and all management focused on supporting the implementation of this policy.

Relationships and Partnerships

- Interpersonal connections are supported through a range of formal and informal structures such as our parents' association, our morning walk, our connections with the FRC, our Student Council, and our other various and multiple student committees and groups - Amber Flag, Green Schools, Active Flag, band/choir, sports teams etc.
- Age and stage appropriate awareness initiatives that engage the student body in looking at their own behaviour – promoting acts of kindness and friendship, being an active help to others and looking at the causes of and impact of bullying during SPHE lessons, while also aiming to develop resilience.
- Conducting workshops and seminars for students, staff and parents to raise awareness of the impact of bullying.
- Encouraging peer support.
- Supporting active participation of students in school life and active participation of parents in school life also.
- Engaging parents and students in actively contributing to the formation of a Child Friendly Anti Bullying Policy to make them active participants in promotion of and discussion of useful ways to identify and reduce bullying behaviour and highlight procedure and how to deal with it if it does occur.

The school has the following supervision and monitoring policies in place to prevent and address bullying behaviour (see Chapter 5 of the BÍ Cineálta procedures):

Preventing Cyber Bullying, Homophobic/Transphobic bullying, Racist bullying, Preventing sexual harassment.

In addition to above mentioned strategies, the school has the following in place to prevent and address bullying:

- Staff at all times endeavour to encourage pupils to show respect for each other.
- The implementation of the SPHE curriculum.
- Positive self-esteem is fostered among the pupils by celebrating individual differences, by acknowledging good behaviour and by providing opportunities for success.
- Our Digital Device Policy has been developed with child safety around devices in mind. Our child safeguarding policy and risk assessment includes learning about responsible online behaviour and digital citizenship. Our AUP has also been developed for technology in our school.
- The school's anti-bullying policy is discussed regularly with the pupils.
- Staff are particularly vigilant in monitoring pupils who are considered at risk of bullying/ being bullied.
- All disclosed incidents of bullying are investigated thoroughly and consistently by following the correct procedure as outlined to staff and recorded if considered to be bullying using our school form which can be found in the school's shared drive (Google).
- Schoolwide awareness raising on all aspects of bullying,
- supervision and monitoring of classrooms, corridors, school grounds, school tours and extracurricular activities.
- Involvement of pupils in contributing to a safe school environment e.g. Kindness/ anti-bullying week, and other activities that can help pupils and encourage a culture of peer respect and support
- Ensuring that pupils know who to tell and how to tell.
- Ensure bystanders understand the importance of telling if they witness or know that bullying is taking place.
- Refer to appropriate online behaviour when using devices and in SPHE lessons.
- Promote online safety events or material for parents
- The listing of supports currently being used in the school and the identification of other supports available to the school e.g. www.tacklebullying.ie www.antibullyingcentre.ie/fuse www.webwise.ie
- Shared folder of resources for teaching of bullying including lessons from above websites – shared Google drive for all teachers to access.
- Challenge gender- stereotypes – equal participation of all. Equal recognition.
- Raise awareness of the impact of homophobic bullying behaviour and encourage students to speak up when they witness homophobic behaviour.

Section C: Addressing Bullying Behaviour

The teacher(s) with responsibility for addressing bullying behaviour is (are) as follows:

*Classroom teacher(s) of the child/children involved (with support from SET if needed)

- ❖ Catherine Furlong (junior infants)
- ❖ Clodagh Jordan (senior infants and first class)
- ❖ Bernie Murray-Ryan (1st and 2nd class)
- ❖ Róisín Quigley (3rd and 4th class)
- ❖ Claire Murphy (4th and 5th class)
- ❖ Ciara Byrne (6th class)
- ❖ SET: Niamh Murphy
- ❖ Principal: Sarah Browne

When bullying behaviour occurs, the school will:

- > ensure that the student experiencing bullying behaviour is heard and reassured
- > seek to ensure the privacy of those involved
- > conduct all conversations with sensitivity
- > consider the age and ability of those involved
- > listen to the views of the student who is experiencing the bullying behaviour as to how best to address the situation
- > take action in a timely manner
- > inform parents of those involved

The steps that will be taken by the school to determine if bullying behaviour has occurred, the approaches taken to address the bullying behaviour and to review progress are as follows (see Chapter 6 of the Bí Cineálta procedures):

The school's procedures for investigation, follow-up and recording of bullying behaviour and the established intervention strategies used by the school for dealing with cases of bullying behaviour are as follows:

- a. While all reports, including anonymous reports of bullying must be investigated and dealt with by the 'Relevant Teacher(s)', the 'Relevant Teacher(s)' will use his/her/their professional judgement in relation to the records to be kept of these reports, the actions taken and any discussions with those involved regarding same.
- b. If it is established by the 'Relevant Teacher(s)' that bullying has occurred, the 'Relevant Teacher(s)' must keep appropriate written records which will assist his/her efforts to resolve the issues and restore, as far as practicable, the relationships of the parties involved.
- c. The 'Relevant Teacher(s)' must record the bullying incident on the school "bullying report form" (available on the school shared drive) and this will be kept in the student's file. The 'Relevant Teacher' must inform the Principal. *All documentation regarding bullying incidents and their resolution is retained securely in the school until the children involved reach 25 years of age (thirteen years after the pupil leaves 6th class).*

The primary aim in investigating and dealing with bullying is to resolve any issues and to restore as far as is practicable, the relationships of the parties involved (rather than to apportion blame). With this in mind the school's procedures are as follows:

- In investigating and dealing with bullying the teacher(s) will exercise his/her/their judgement to determine whether bullying has occurred, what type if it has and how

best the situation might be resolved.

- All reports, including anonymous reports of bullying must be investigated and dealt with by the 'Relevant Teacher(s)'. In that way pupils will gain confidence in 'telling'. This confidence factor is of vital importance. It should be made clear to all pupils that when they report instances of bullying they are not considered to be telling tales but are behaving responsibly.
- Non-teaching staff such as secretaries, SNAs, caretakers and cleaners are encouraged to report any incidences of bullying behaviour witnessed by them or mentioned to them to the Class Teacher.
- Teachers should take a calm, unemotional problem-solving approach when dealing with incidents of alleged bullying behaviour reported by pupils, staff or parents.
- On being informed of an alleged incident of bullying, the teacher dealing with the report will first interview the victim(s) and discuss the feelings which the victim(s) experienced because of the bullying behaviour.
- Initial investigations of bullying will be done in class where possible but some incidents might be best investigated outside the classroom situation to ensure the privacy of all involved.
- When analysing incidents of bullying behaviour the 'Relevant Teacher(s)' should seek answers to questions of what, where, who, when and why. This should be done in a calm manner, setting an example in dealing effectively with a conflict in a non-aggressive manner.
- If a group is involved each member should be interviewed individually at first. Thereafter, all those involved should be met as a group. At the group meeting, each member should be asked for his/her account of what happened to ensure that everyone in the group is clear about the other's statements. A written account may be asked for.
- Each member of a group should be supported through the possible pressures that they may face from the other members of the group after interview by the teacher.
- Where the 'Relevant Teacher(s)' has/have determined that a pupil has been engaged in bullying behaviour, it should be made clear to him/her how he/she is in breach of the school's anti-bullying policy and efforts should be made to try to get him/her to see the perspective of the pupil being bullied.
- The "Relevant Teacher" does not apportion blame but should make an effort to try to get him/her to see the situation from the perspective of the pupil being bullied. S/he emphasises that the intention is not to punish perpetrators but to talk to them, to explain how harmful and hurtful bullying is and to seek a promise that it will stop. If that promise is forthcoming and is honoured there will be no penalty and that will be the end of the matter.
- When an investigation is completed and/or a bullying situation is resolved the "Relevant Teacher" will complete a report, to include the findings of the investigation, the strategy adopted and the outcome of the intervention, as well as any other relevant information. This should be recorded on the "Bullying Behaviour Report" form and kept in the child's file. Restorative Practice will be used in dealing with the conflicting students.
- If a pupil chooses to continue the bullying behaviour, this can then no longer be considered a once off occurrence. In this event parent(s)/guardian(s) will be contacted. The school should give parents an opportunity of discussing ways in which they can reinforce or support the actions being taken by the school and the supports for the pupil.
- Follow-up meetings with the relevant parties involved may be arranged separately with a view to bringing them together at a later date if the pupil who has been bullied is ready and agreeable.
- Depending on the seriousness of the bullying some or all of Level 2 Supportive

Interventions will be utilised (See School Code of Behaviour).

- Repeated incidents of bullying behaviour will result in the imposition of sanctions. Such sanctions will be proportionate to the seriousness of the bullying behaviour. It must be made clear to all involved (each set of pupils and parents) that in any situation where disciplinary sanctions are required that this is a private matter between the pupil being disciplined, his or her parents and the school.

- Where a parent is not satisfied that the school has dealt with a bullying case in accordance with these procedures, the parent must be referred to the school's complaints procedure.

- In the event that a parent has exhausted the school's complaints procedures and is still not satisfied, the school must advise the parents of their rights to make a complaint to the Ombudsman for Children.

- The School will maintain care for the victim over time. This will be done by speaking to the child a number of weeks after the incident to check on their continuing welfare. The child's parents will also be consulted.

- If a child makes a report of bullying, but asks that nothing is to be done about it, the relevant teacher will support the child appropriately to explore how it will be handled sensitively and how parents may be notified. If a parent does so, they must submit in writing that they require no further action to be taken, but even so, **the school may still deem it necessary to be investigated and handled appropriately.**

- **The school is not expected to deal with bullying behaviour that occurs when students are not under the care or responsibility of the school.** However, where the bullying behaviour has an impact in school, schools are required to support the students involved, e.g. giving a lesson on bullying, SET support, offering parents support etc. If this bullying behaviour continues in school, schools should deal with it in accordance with their BC policy. An investigation is not the responsibility of the school unless the bullying continues in the school. **This includes online bullying behaviour.**

The school will use the following approaches to support those who experience, witness and display bullying behaviour (see Chapter 6 of the Bí Cineálta procedures):

The school's programme of support for working with pupils affected by bullying involves a whole school approach. Given the complexity of bullying behaviour, no one intervention/support programme works in all situations.

- Supporting Bullied pupils:
 - o Ending the bullying behaviour,
 - o Fostering respect for bullied pupils and all pupils,
 - o Fostering greater empathy towards and support for bullied pupils,
 - o Indicating clearly that the bullying is not the fault of the targeted pupil through annual awareness-raising programmes,
 - o Indicating clearly that the bullying is not the fault of the targeted pupil through the speedy identification of those responsible and speedy resolution of bullying situations,
 - o Notifying parents of adequate counselling facilities that are locally available for pupils who need it in a timely manner.
 - o Helping bullied pupils raise their self-esteem by encouraging them to become involved in activities that help develop friendships and social skills (e.g. participation in group work in class and in extra-curricular group or team activities during or after school).
- Supporting Bullying pupils:

- o Making it clear that bullying pupils who reform are not blamed or punished and get a 'clean sheet',
- o Making it clear that bullying pupils who reform are doing the right and honourable thing and giving them praise for this,
- o Notifying parents of adequate counselling facilities that are locally available to help those who need it learn other ways of meeting their needs besides violating the rights of others,
- o Helping those who need to raise their self-esteem by encouraging them to become involved in activities that develop friendships and social skills (e.g. participation in group work in class and in extra-curricular group or team activities during or after school),
- o Using learning strategies throughout the school and the curriculum to help enhance pupils' feelings of self-worth,
- o In dealing with negative behaviour in general, encouraging teachers and parents to focus on, challenge and correct the behaviour while supporting the child,
- o In dealing with bullying behaviour seeking resolution and offering a fresh start with a 'clean sheet' and no blame in return for keeping a promise to reform.
- o A restorative approach will be used

All bullying behaviour will be recorded. This will include the type of behaviour, where and when it took place, and the date of the engagement with students and parents. The actions and supports agreed to address bullying behaviour will be documented. If the bullying behaviour is a child protection concern the matter will be addressed without delay in accordance with *Child Protection Procedures for Primary and Post-Primary Schools*.

Section D: Oversight

The principal will present an update on bullying behaviour at each board of management meeting. This update will include the number of incidents of bullying behaviour that have been reported since the last meeting, the number of ongoing incidents and the total number of incidents since the beginning of the school year. Where incidents of bullying behaviour have occurred, the principal will also provide a verbal update which will include where relevant, information relating to trends and patterns identified, strategies used to address the bullying behaviour and any wider strategies to prevent and address bullying behaviour where relevant. This update does not contain personal or identifying information. See Chapter 7 of the Bí Cineálta procedures.

This policy is available to our school community on the school's website and in hard copy on request. A student friendly version of this policy is displayed in the school and is also available on our website and in hard copy on request.

This policy and its implementation will be reviewed, following input from our school community, each calendar year or as soon as practicable after there has been a material change in any matter to which this policy refers.
